Quotes I love

“Yes. I want other people to look at you and know you’re mine. I want you to take my name and my money. I want you to live with me. I want to be inside you...part of your thoughts...your body...all of you. I want you to trust me. I want to give you whatever elusive, impossible, goddamned mysterious thing it is you need in order to be happy. Does that frighten you? Well, it frightens the hell out of me. Don’t you think I’d stop feeling this way if I could? It’s not as if you’re the easiest woman in the world to—”

Kleypas, Lisa (2009-10-13). *Then Came You* (Kindle Locations 3972-3975). Harper Collins, Inc.. Kindle Edition.

You could do worse than marry a man willing to make a fool of himself over you.”

“That’s a pity,” Hunt said easily. “Having regrets is the only sign that you’ve done anything interesting with your life.”

Kleypas, Lisa (2009-10-13). *Secrets of a Summer Night* (The Wallflowers, Book 1) (Kindle Locations 1447-1448). Harper Collins, Inc.. Kindle Edition.

“True friends never mind holding your hair back while you cast up your crumpets.”

Kleypas, Lisa (2009-10-13). *Secrets of a Summer Night* (The Wallflowers, Book 1) (Kindle Location 2055). Harper Collins, Inc.. Kindle Edition.

“There is nothing on earth more beautiful to me than your smile...no sound sweeter than your laughter...no pleasure greater than holding you in my arms. I realized today that I could never live without you, stubborn little hellion that you are. In this life and the next, you’re my only hope of happiness.

Kleypas, Lisa (2009-10-13). *It Happened One Autumn* (The Wallflowers, Book 2) (p. 371). Harper Collins, Inc.. Kindle Edition.

Bees darted at her (she suspected they had made nests in the bushes), a bird dove close to her head (she suspected it had a nest somewhere around here as well), and an angry squirrel had bounded toward her with no apparent provocation on her part whatsoever, causing her to tear the lace hem of her favorite walking dress as she sped away from it.

“What have you got against the tree? Did it look at you funny?” Love at stake 12

“OK. Matt. Dangerous town. Blue Volvo. If I get into the wrong car and get myself murdered and dumped in an alley, I want you to know how much I love you. And don’t look in the third drawer of my desk.”

Park, Jessica (2011-04-11). Flat-Out Love (p. 6). Jessica Park. Kindle Edition.

“That’s not funny. Anyway, Matthew goes to MIT. Some sort of physics major. Or was it math? Can you believe that? With Erin’s genes, I shouldn’t be surprised she’d have a genius son.” “I’m sure he’s incredibly cool. Just the word physics already has me hot and bothered.” “I’m not running an escort service here, Julie. I’m trying to get you somewhere safe where I will not worry myself silly about you.”
