Instructions:

1. Install Serato DJ 1.1.1 and unzip "Fake License.zip" and "Serato DJ cracked.zip"

2. Right click on Serato DJ application to "Show Package Contents"

3. Go to /Contents/MacOS/

4. Replace Serato DJ with cracked Serato DJ

5. Install license file "serato.lic" into /Users/yourname/Library/Application Support/Serato/Licenses/

Now you can launch Serato DJ
