Kerry Greyhounds UK

How often do you see them out at events, right across Norfolk, doing their bit to raise funds & awareness of what they do?

If you have yet to meet these wonderful people, it is indeed time you did, and discuss how you could possibly help them and their hundreds of rescued greyhounds, from Northern Ireland, who they bring back to mainland UK to be re-housed by the many good souls looking for a calm and very gentle hound.

PRICELESS
or FREE FOR ALL

Lis & I drove over on Saturday June 7th to the Poacher's Pocket pub, on the Bacton to Walcott Road to visit the **Greyt Plant Sale** in aid of Kerry Greyhounds and spent time chatting to several of these great folk,

**Crab Tales: 30 West Street, Cromer, Norfolk. NR27 9DS**

## From The Editor

Over the last 12 plus months we have been running an office at 30 West Street, in Cromer where we originally set up, the **Crab Line**. Well we have changed the papers name and many of the details etc. and Lis & I now operate out of our home in Mundesley.

Can I please ask readers and all our advertisers to email me and/or Lis on: **philip.keddell@sky.com** and if you are still not already doing so to phone us on: **01263 726 831**.

Thank you.

You can still post us details to our old address at **30 West Street, Cromer. NR27 9DS**

At last some decent weather is with us, so I can go sailing on the Broads and do summer time things instead of living indoors so often.

I have to say I enjoyed going to Northrepps Airport, as well as the Classic Cars in Sheringham on Sunday the 8th June.

It is always great to welcome the cast of the Pier Show to kick off another Seaside Special Show, every year I am reminded of how much we both enjoyed having dancers from the show lodging with us for the summer when we lived in West Street.

(See Page 8)

I draw readers attention to the letter (below) from Margaret Hunter in reference to re-cycling bottles & and the like.

Why are the NNDC doing this?

I really cannot see that this action will save much money for all of us ratepayers.

It was not until after we placed the photographs on the front page, that I realised I had not taken any photos of any of the greyhounds.

These handsome hounds rightly deserve a photo or three of them.

For some unknown reason I lost the photos I took of the Pier Show so I would like to thank Hubba for emailing some over to me.

"Enjoy Your Crab Tales"

### Letters to the Editor Send to 30 West St. Cromer NR27 9DS

e-mail to: **philip.keddell@sky.com**

OR Drop off at: 'K' Hardware, Church Street, CROMER

### Dear Editor,

I am writing this letter as it is lovely little story about a gentleman my children and friends have now named 'The Allotment Man'.

As we were wandering back from Sheringham on the evening of Sat 7th June, we were admiring all the allotment's that back onto the train track and started chatting to a lovely man about all his flowers and the produce he grows..my daughters Florrie (5) and Polly (2) (Right) were fascinated they thought it was very exciting!

As we were about to depart the kind man gave us some newly dug up potatoes and a smashing cucumber for our tea.

They were very tasty!

So this is just a little thank-you to 'The Allotment Man' for his generosity!

Watch out though as both Florrie and Polly are quite partial to green beans - so later in the summer, we hope we might bump into you again!

Regards,

The visitors from Leicester!

### Dear Editor,

The congregation at Thorpe Market church has been involved in recycling for nearly 30 years, since long before local councils began to show any interest in this aspect of preserving the earth's resources.

Like many community organisations who use recycling as a funding stream, the news that the NNDC are withdrawing glass skips in favour of doorstep collections came as a real shock. Church members are meeting this challenge head-on & St Margaret's intends to continue offering this service to the local community.

The NNDC skips have already been removed & replaced by a single skip from Indigo Glass Recyclers. This one skip can take all colours of bottle glass, so no more need to sort out the colours! The paper skips continue to be well supported by the local community, for which we are very grateful.

For the longer term, a project is being drawn-up to improve the access to the skips & the car park surface in general. This will make the area safer & tidier and also offer the possibility of extending our recycling activities to other materials.

We earnestly hope that our many friends will continue to support our unique little church by saving their glass and paper for us.

Margaret Hunter

## Letters Continued From Page 3

Dear Philip,

I was pleased to read the letter from John Morris in *Crab Tales* issue 038, about the holiday they had in Cromer. Cromer is mentioned several times, for holidays and the Pier, and the better weather, so enjoy!

Mr. Morris and his family enjoyed a cuppa in the Community Cafe, which was originally arranged by our hardworking Lyn Hird, who also runs our Monday Luncheon club.

We have a lovely fun time and delicious meal.

Lyn is a lovely lady and we love her, she has her finger in lots of projects to do with helping teenagers to learn to cope with life.

Anyone is welcome to the Luncheon Club, we can have lifts and is run from 11am until 2pm.

It is lovely to read that lots of people like Cromer.

Yours Sincerely

Joy Manners (91)

Cromer

Dear Philip,

Two of Cromer's RNLI team are performing an usually different rescue when, on Midsummer's Day, Saturday 21st June, at Cromer's Parish church of St Peter and St Paul they will help North Norfolk District Councillor Richard Price and his bride Katharine Jaeckel at their wedding.

Lifeboat Operations Manager Richard Leeds of Randalls Electricals has stepped into the breach to supply a super sound system so that the couple and their friends and families can still enjoy the sound of church bells despite the delay in the church bells restoration which means they won't be able to ring until the end of June.

Branch Treasurer for Cromer RNLI Jim Page who was Cromer's Postmaster, will be making sure that the wedding runs smoothly as Richard's Best Man.

Richard Price

Cromer

From Editor:

I hope your day is great...I will see you there on the 21st June.

PK

Dear Editor,

Phil Weston, owner of the 'Wet Dog' surf shop undertook his first tandem jump at the end of May when he & his instructor leapt out of the aircraft at an altitude of 13,000 feet, approx two & a half miles up to freefall at up to 120mph, for approx. one minute before opening the parachute.

Phil said: 'Although skydiving has been on my wish list for ages, I admit I was a little scared beforehand. It was certainly well outside my comfort zone but it was an amazing feeling, totally exhilarating.'

Phil raised about £1,000 towards the Cromer Skate Park campaign, a cause with which he has a long and active association, he says:

*'This skate park is a must, not just for young people, but for Cromer as well and will create another great "draw" for the town - just look at the success of Mundesley and Sheringham skate parks.'*

Phil is quick to proffer thanks to his sponsors.

*'I received sponsorship from local businesses, customers, friends and residents of the town.'*

*I even received donations from out-of-town visitors, several of whom told me that they thought it would be a great thing for Cromer to have its own skate park.*

*Thanks to such generosity, the prospect that construction of the skate park might begin this summer is now a very real one.'*

Dear Philip,

Just to butt in regarding the ongoing saga of your publication's reviewing style.

Well, basically it's rubbish. Even if it wasn't, it still would be terrible, childish, patronising, unhelpful, hopeless, stupid, grim and always wrong. (Unless of course you say nice things about my stuff.)

I base this name calling on your review of my book *"Ladies that Ride"* which, as pointed out by M. Peters in your last publication, you *"slated"*.

I never got over this and as you know have become a total recluse, never speaking to a soul and only going out after dark to hide my shame. It's all your fault. You are a nasty man and your feet smell.

So there!

With kindest regards.

Nigel Holmes.

PS: You will be horrified to learn that even with your bad review *"Ladies that Ride"* did extremely well, with all the profits going to charity, amounting to thousands of pounds.

Response : Have we met???

PK

## The Winner.....

.....of our competition to win a pair of tickets to see the Viva La Drag show on Sunday 6th July at the Pier Pavilion in Cromer is: Andrew Hyam from Cromer.

*Viva La Drag* is the latest hit show from the London West End featuring songs especially composed by Boy George and starring Sam Buttery from TV's *The Voice* and benefits from musical direction from John Themis, songwriter of hits by the Sugarbabes, Emma Bunton and Kylie.

Andrew's entry was the first to be picked out of the hat and we hope he enjoys the Show.

For those of you who did not win free tickets they are available at £22.50 each from the

Box Office on: 01263 512 495 or visit:

cromer-pier.com easytheatres.com

Watch out for our next competition to win tickets to see *The Rat Pack* in September

## Continued From Front Page

We learnt that they not only pick the dogs up in Ireland but then do all they can to re-home these large hounds.

One gentleman we met there was Peter Cole (Above) who drives the specially fitted, air conditioned & heated van (pictured on front page) to Ireland every 4 to 6 weeks to bring back about 10 dogs at a time to re-home.

So far in 5 - 6 years some 700 greyhounds have been rescued by them, approx 120 of them each year.

I must say that the many greyhounds that were at the Plant Sale were all very well behaved in tow with their proud owners.

I understand that many of those who re-home these greyhounds seldom stop at having just one and often have up to six of them.

Peter told me that 20 of them have been re-homed in Bacton & Walcott alone.

I make no claim of knowing much about dogs but these ones were all very well behaved and would make great friends and pets for anyone.

Ask anyone like Meg Smith (above) who along with many others grows vegetables and plants all the year round to sell on behalf of Kerry Greyhounds, and she, like everyone there, will tell you of the love she has for these beautiful hounds.

I would suggest that readers contact Kerry Greyhounds UK for more information on **075 000 626 48** or visit their website: **www.kerrygreyhounds.co.uk**

After a very pleasant and interesting morning, we came away with a couple of books as well as several plants.

PK

## 38th Year Of The Pier Show

On the 12th of June I joined numerous others representing local papers and TV companies for the Press Launch of this year's Pier Show. Opening on 21st June the show is the last of its kind in Europe where audiences are entertained by a line-up of traditional variety acts for the three month summer season. No other Pier in Europe can boast the same credentials, which makes the show a 'must see' experience for people of all ages.

The impressionist Adam Daye is joined by the multi-instrumental & vocal duo "Andante", and lead vocalists Louis Yssel and Jane Watkins as well of-course the Seaside Special dancers.

Jo Artherton has recently joined the team as the new Marketing & Sales Manager. Jo's previous experience was heading up the marketing for adventure park **BeWILDerwood**.

Jo brings to the role a wealth of knowledge regarding marketing and the tourism industry in Norfolk.

*"I am passionate about putting Norfolk on the tourism map & raising the profile of a national icon such as the Pier. Norfolk is a beautiful place with everything you could possibly imagine on your doorstep."*

*My dance & theatre background also means that every day it's a joy to come and work on the Pier and help keep traditional Theatre running."*

It is always nice to see Di Cooke return to Direct and Choreograph the team again, she really is one of those people you cannot but like and admire.

For those on line you can see many photos of previous shows on: [https://www.dropbox.com/sh/he12znwd9aptngl/AAAXYJDGJAQKVIS\\_VaCo597](https://www.dropbox.com/sh/he12znwd9aptngl/AAAXYJDGJAQKVIS_VaCo597)

Whatever you do this summer, do go and see the Pier show/s.

PK

## Sports Clubs & Hubs Project

With well over 200 applications nationally, the NNDC is among 88 projects to receive a share of £15 million of funding to support grassroots sport activity across the country.

The District Council will deliver a range of sporting & exercise activities designed to encourage those, particularly the older and younger age groups, who currently have difficulty gaining regular access to sports facilities.

Emphasis will be placed on making these activities self-supporting in the longer term, something that has already been achieved with a number of 'community gyms' in the district.

Designed in response to local demand, the Community Sport Activation Fund allows local authorities, charities and other organisations to apply for funding for innovative projects that will get more people playing sport.

The Community Sport Activation Fund is investing a total of £47.5 million of funding over five funding rounds.

Already 156 projects have shared in £27.2 million of funding over 3 rounds, receiving grants of between £50,000 and £250,000 to provide grassroots sport at a very local level.

## SPOT THE CRAB

and win a Family Swim voucher from 'SPLASH' in Sheringham (2 Adults & 2 kids)

If you are under 12, tell us your **name, age and address, also** in which advert the Crab is hidden and the page number. **Please Note : Entries should be written by the child themselves, at least their name.**

**OR** - If you are a pensioner,

## SPOT THE COD

and win **TEA & CAKE FOR TWO** now at **Huckleberries** 43 Church Street, Cromer

## Changing Of The Guard ..

..at Cromer's Insurance Broker

At the end of May, as one career came to a close at Saffron insurance's Cromer office, another was starting.

After serving the community for more than 35 years, Peter Farrow hung up his insurance boots to enjoy retirement.

"Peter's contribution to get the office up and running last year has been a great help", said Will Howett, branch manager at the office in Bond Street, Cromer "but Peter had made it clear at the outset that his involvement would be short term".

Since the Cromer office opened last year, over 3000 clients have chosen Peter & the team to get sound advice & competitive premiums for their home, motor and commercial insurance needs.

With such success, it was essential to find the right person to join the team - cue the arrival of Jon Glover, now embarking on the start of his insurance career.

Jon lives locally and has worked in Cromer for a number of years and he is delighted to join Will's team.

Registered in England 829892. Registered office as Saffron Walden address. Authorised and regulated by the Financial Services Authority.

Jon says: "Saffron is exactly the sort of business I want to work for: dedicated to doing the right thing for their clients, a business that takes time to find out what's important to the clients and works hard to find the right cover.

They are also very involved with the local community, just as a local broker should be".

Will added: "It's an exciting time of change all round, for the team, for Jon but particularly for

Peter and we wish him well for a long, happy and healthy retirement".

If you need any assistance with your insurances or just want to pop in for a coffee and say hello to the team, feel free.

Saffron has very competitive prices across all insurances, so do check with us before you buy elsewhere as we may surprise you.

# What A Turn Out

I did not count all the cars that lined to town centre of Sheringham on Sunday June 8th, but in was in the hundreds, including the line up of vintage motorbikes, all on display on that sunny day.

I turned up in my 1960 Kubelwagen at around noon and parked just outside, what is the shelter on the High Street.

You name it and they were there parked up around the streets with their very proud owners all on hand.

Organised by Sheringham Carnival Committee, the whole day was a great success with so many different types and sizes of cars on hand to gaze longingly at.

While I was talking to the Carnival Chairman, he told me that his Challenge this year will be on **July 27th** when he wants to see just how many good folk can fit on to the Beeston Bump.

He has, along with the committee, invited the Cromer Carnival to come along as well and have asked the Guinness Book Of Records to record the numbers as well.

It should be a great day out for everyone who is prepared to come along as well.

Hitched behind an MGB GT is this wonderful home made caravan (*below*)

I have to say it would be impossible not to be highly impressed be the owner's skills and I would add, his imagination in designing such a handy bit of kit.

All in all a great day out was had by everyone who was there.

PK

Sheringham's newly elected Mayor Patricia Brooks and the Sheringham Carnival Chairman Stuart McClean.

## Oliver

I would like to congratulate all involved with the Oliver production on Cromer pier.

It was my début appearance in the chorus line up and the magic will live in my heart forever.

As a child from London's East End, I never dreamt I would one day appear on stage in one of my all time favourite musicals.

Acting was my first love and I entered a 2yr. drama course just 4 Months before the exam and achieved a distinction.

I went on to play the lead in a Greek spoken play in London and joined local dramatic societies.

Then life's unpredictability changed my path and we moved to East Runton, the rest is history and I wouldn't change it for the world.

As soon as I heard about the auditions for Oliver I really wanted to go for it.

I knew it had to be something special for the Cromer & Sheringham Operatic & Dramatic Society's centenary year and the show surpassed all expectations.

Work started soon after the auditions under the excellent direction of Amanda Howell and weeks of dedication by choreographer, Carole Beaty and musical director, Rosamund Walton.

Everything fell into place from the start and it was obvious during rehearsals the show had powerful lead characters.

Mr Bumble the beadle of the poorhouse was played by Peter Howell.

Fagin, the self-confessed miser was played by Nick Bird and Bill Sykes was convincingly played by Gary Clifton.

Nancy was played by Claire Reynolds and the part of Oliver was played by Joseph Oxtoby & Noah Vigor who took turns under the spotlight.

All the children did remarkably well and I am sure some of them will go on to be stage names of the future.

I don't think some people realise the amount of work that goes into the sets, lighting costumes and overall preparation behind the scenes, it was a mammoth task that gelled together on this occasion and Wardrobe mistress, Sharon Rogers worked wonders.

There were numerous costume changes and I had five throughout each show, playing four different characters. I'm truly grateful to Mary and Tina, who did a grand job helping us change.

There was never any pressure until opening night, with unusual silence when the announcement echoed around the theatre that the show was about to begin. No one knew what to expect.

While the National anthem played I closed my eyes in the wings and prayed. Then the magic began to unfold, after the rapturous applause at the end of the first act everyone knew they were delivering a fine performance.

By the end of the show the audience stood on their feet and it continued every night.

The popularity of the production sunk in when there were hardly any tickets left throughout the week, a complete sell-out had been achieved.

I would like to extend my heartfelt acknowledgement to every single person involved in the show, who all played a vital part on this amazing journey.

On the final night I was given permission to leave the stage before the walk down, so that I could capture a charity cheque presentation on camera.

I remember rushing up to the theatre balcony and viewing the spectacle from an audience's point of view. it was very emotional as the cast gave their final bow and I shed a silent tear in the darkness.

My tears changed to laughter when someone in the crowd spotted me and called out in a loud voice "Look! The Oom Pah Pah man is now a photographer"

The Kid from London's slums had pieced together another bit of life's jigsaw puzzle, and it was a dream come true.

I am also overjoyed the company raised £2000 for the chosen local charity, 'About with friends' long may it continue.

## Open For Business

Northrepps International Airport, along with Chris Gurney is open most days, if not 365 days a year, for visitors in all shapes and sizes of aircraft visiting North Norfolk.

On Sunday 8th June, I popped over en-route to Sheringham to watch an array of different private planes flying in and out, during a very busy morning on the strip.

With a busy cafe at the strip it is indeed a busy and popular venue for visitors flying in from wherever they may live.

Because Chris had encouraged pilots to pop over with their post war planes here was a good line up of older places on the strip.

Whether you are just a plane spotter or someone interested in flying generally it is a great place to pop into.

## Icarus Library For High Flying Children

A new library was opened at the Belfry School, Overstrand by main sponsor and local butcher Icarus Hines.

The actor, John Hurt, famous for many film roles including Olivander the wand maker from the Harry Potter series read extracts of the books to the children in the Harry Potter themed library which was refurbished recently.

Most of the decorative work was done over 30 days by the mums (Antonia Heath and Jade Mays) of 2 children who attend The Belfry school and of course there was much work behind the scenes by the committee lead by Amy Hobart.

The Icarus Library, named after the main sponsor, is now a magical place for young

children to discover the joy of reading and lose themselves in magical stories and provide a new generation an opportunity to interact with books.

## How Can I Reduce My Risk Of Developing Cancer?

The world is facing a 'tidal wave' of cancer and restrictions on alcohol and sugar need to be considered.

You may have heard politicians discussing a 'sugar tax' to reduce our consumption (in the same way that raising the cost of a unit of alcohol has reduced alcohol related health presentations in the NHS).

There is now a 'real need' to focus on cancer prevention by tackling smoking, obesity and drinking.

The NHS is not an unlimited resource and we should all take some individual responsibility for the prevention of ill health as much as possible.

A survey of 2,046 people in the UK showed 49% do not know that a poor diet increases the risk of developing cancer.

In the UK, about a third of the most common cancers could be prevented through being a healthy weight, eating a healthy diet and being regularly physically active.

It is thought no more than 10% of cancers are attributable to inherited genes.

It is now recommended that we eat 7 portions of fruit and vegetables per day (it was 5!).

Other recommendations include lean meat or fish, low fat dairy products & pulses and to reduce red meat consumption and ideally eat processed meats (such as bacon, ham and sausages) only occasionally, if not at all.

Safe limits for drinking alcohol are 2 units a day for women & 3 units a day for men, preferably with at least 2 alcohol free days per week.

A unit of alcohol is defined as ½ a pint of beer, a 125ml glass of wine or 1 measure of spirits.

Pregnant women are advised to abstain from alcohol and smoking altogether.

Smoking is clearly a health risk and there is plenty of support available to help smokers quit supported by NHS England in local surgeries and pharmacies.

Care UK are holding **IMMEDIATE LOCAL INTERVIEWS** for Community Care Workers.

We are eager to speak to people who can work in Cromer and all surrounding areas.

We require daytime, evening and weekend care workers that can drive and have their own vehicle. We have Full and Part-time vacancies available for those WITH or WITHOUT previous care experience.

There are many benefits of working for one of the largest care providers in the UK – including:

- Up to 28 days paid holiday (inc. bank holidays)
- Weekly pay and paid mileage
- Childcare vouchers
- Full, free ongoing training
- Free uniform
- Excellent career development opportunities

To apply:

Call the recruitment team on: **0333 321 8854** or you can meet Jo Kendrick at "The Fishing Boat" every Monday between 11am and 12pm.

The WHO World Cancer Report 2014 said the major causes of preventable cancer included: Smoking - Infections - Alcohol - Obesity and inactivity - Radiation, both from the sun and medical scans.

Air pollution and other environmental factors.

Delayed parenthood, having fewer children and not breastfeeding

There are various ways in which you can help your risk of ill health:

Women are encouraged to attend for: Cervical screening (over age 25 yrs) Mammography screening (over age 50 yrs)

Men are encouraged to: Check their testicles for lumps and report any changes in their urinary stream

Men & women: Use the bowel cancer screening kits sent to those aged 60 to 69 yrs every 2 years by NHS England

It's up to all of us; the benefits will become evident!

Good Luck!

Dr Catherine Ashworth - BM Dip Obs, MRCGP  
Mundesley Medical Centre.

## **Deadline Extended For Flood Support Scheme**

North Norfolk District Council has received applications from over 100 households and businesses in the district for grants from the Flood Support Scheme announced 1st April. Since the Council is aware that half as many again might be eligible to apply is therefore extending the previous deadline to ensure they have every opportunity to get their applications in.

Central government schemes, administered by NNDC, have been operating from 1st April and are intended to assist those individual households and businesses that suffered flooding to their property in December to increase their capability to withstand future flooding.

Second homes are also eligible to benefit from the Flood Support Scheme, while businesses not necessarily flooded, but adversely affected, can apply for funds from the Business Support Grant to reimburse business losses and help with business recovery.

The new deadline for all applications is **Thursday 31st July 2014**.

Completed forms have so far been received from 108 applicants, around two thirds of the households and businesses that could be eligible to apply.

NNDC is hoping that the remaining properties and businesses affected by the flooding, but which might not initially have considered completing an application, will now do so before the new deadline.

Over the coming weeks the NNDC will be contacting directly those who have not yet applied but are known to have been adversely affected.

NNDC Leader, Tom FitzPatrick, said:

*"Many deserving households and businesses have now applied for the funds, but we are well aware that not all of those who are eligible have been in touch with us and we would really like to hear from them.*

*Those who have experienced flooding suffered significantly and they all deserve the extra help that this package provides, to increase their resilience against flooding in the future.*

*We have extended the deadline because we want to make sure that they all have every opportunity to apply."*

Details of the schemes, guidance as to who can apply and application forms are available on the NNDC website:

## Stewards Required Please For Mundesley Museum

After major renovation work taking place  
over the last few months to stop dampness  
which has plagued us for several years,  
i.e. Internal walls have been rendered and  
all the brickwork has been re pointed etc.  
as well as display cabinets being removed  
and stored during this time, they are now  
back in place, some in different locations.

The wall boards have been recovered  
and now back on the walls.

The theme for this year is a collection of  
photographs displaying the tidal surge  
in December last year.

The museum will be open from

**Tuesday 1st of July.**

If you can spare a few hours during your  
week please contact : Christopher West  
on 722 068 or Peter Gray on 722 662 who  
are both happy to fit you into the hours this  
great museum is open during the summer.

Do please over the summer pop in and  
have a look around the museum as you  
will be pleasantly surprised particularly  
at what we have to show our visitors.

Admission is free to everyone, there is  
however a donation bin on hand inside  
the museum to show your appreciation.

Peter Gray

## 1st Suffield Park Guides

Would like to invite you to join them at some  
taster sessions on Wednesday Evenings  
from 7pm - 8.30pm

We have lots of fun, mostly from  
ideas planned by the Guides themselves!  
Recently we have been to Guide camp, have  
spent an evening on the beach, have planted  
sunflowers and bulbs, visited Happisburgh  
Owls and been pond dipping.

We have a trip to a pop concert planned as  
well as going to see a pantomime next term  
and possibly a sleepover.

We have lots more fun planned for this  
half term, including rock pooling, beach art,  
scavenger hunt, wet and wild night  
and lots more!

Come along to as many sessions as you  
wish this half term, for free.

Either register your interest online at  
[www.girlguiding.org.uk/get\\_involved.aspx](http://www.girlguiding.org.uk/get_involved.aspx)  
or E-Mail : [Helen\\_West\\_38@hotmail.co.uk](mailto:Helen_West_38@hotmail.co.uk)  
to arrange to come along and try it out

Come and meet us, find out about what we  
get up to, you will be very welcome.

From Pete's Pen

CRAFT STALLS

& MUCH, MUCH MORE!!

## Rescue Wooden Boats

The charity, Rescue Wooden Boats, is restoring back to use on the water a number of local heritage fishing craft & lifeboats and capturing on film and telling the stories of the boats and the people who worked them.

We have now opened new displays at the Stiffkey Visitor Centre, off Greenway, Stiffkey NR23 1QF showing stories of how wooden boats were used locally in whelk fishing, crab fishing, describing fishing life & communities, wooden boatbuilding and some history of the Stiffkey Military Camp.

We are recruiting even more volunteers to join our team, helping welcome people at the Centre. Can you spare 3 hours a month or more?

No experience needed, training given.

Work has progressed well during the winter on Dunkirk veteran lifeboat **Lucy Lavers** so we are now making plans to take her back to Dunkirk by sea in May 2015 to mark the 75th anniversary of the evacuation of troops in 1940, calling in on the way so schools and members of the public can visit her.

There will be a land team tracking her round the coast with publicity & displays. Do let us know if you would be interested in helping with this great event.

We are also developing the new education and event room and preparing for school visits from the autumn term. If anyone would like to help with visits from schools, let us know.

Browse [www.rescuewoodenboats.com](http://www.rescuewoodenboats.com) for more details & do join as a Friend of Rescue Wooden Boats to receive regular updates and invitations or contact : Wendy Pritchard : 07920 760 238

## Wednesday 6th August

4 - 8pm : Bayfield Hall, Holt, NR25 7JN

### "Boats At Bayfield"

Bayfield Hall is where Robin Combe is generously hosting this celebration of our maritime heritage in aid of the RNLI and Rescue Wooden Boats.

The highlight will be an **Auction Of Opportunity** to participate in a historic voyage to Dunkirk in May 2015. The **Lucy Lavers** will re-make the voyage during which she rescued many troops from the Dunkirk beaches in 1940.

She was the reserve lifeboat at Aldeburgh and then at Wells & Sheringham and is being restored to her original condition at Stiffkey.

In May 2015 she will set out from Wells to return in stages to Dunkirk & then make the return trip (after which she will give trips afloat in Wells).

We are auctioning ONE PLACE on each of the outward & return legs.

Other events during "Boats at Bayfield" are:

- Exhibition of Marine paintings by The East Anglian Society of Marine Artists.
- Fascinating model boats - Inside Bayfield Hall - a selection of ship & boat models, including intricate steam driven craft.
- Display of boats - On the lawn - some new and traditional wooden boats and other examples of local boat builders' craft.
- Maritime memorabilia - Items of ancient fishing and sailing gear will be available through a tombola.

Refreshments will be available throughout the event

Entry donation £5 includes free parking & free glass of "Nelson's Blood" in keeping with the occasion.

If you can't come you can bid by post - must be received by **August 4th**.

Details: [www.rescuewoodenboats.com/auction](http://www.rescuewoodenboats.com/auction) or from Wendy Pritchard : 07920 760 238
