Welcome to NIOS

Dear learner,

I congratulate and welcome you for choosing the National Institute of Open Schooling (NIOS) as your preferred option for continuing your studies. You will find that NIOS is an institution with a difference. It is an open school which encourages flexibility and freedom to learn. About Nineteen lakh learners are on roll of NIOS pursuing their Secondary, Senior Secondary and Vocational Education courses. By joining NIOS, you too will become a part of the Largest Open Schooling System in the World.

NIOS is one of the three National Board and offers school education through Open and Distance Education mode. It has been vested with the authority to enroll, examine and certify learners up to pre-degree level. The Open Schooling courses of

study of NIOS have the same standard and equivalence as the courses of study of other National/State level Boards of School Education. Learners have joined colleges and professional institutions after completing their studies from NIOS. NIOS develops its own curriculum, self learning material and media support programmes utilizing expertise of faculty from various Academic and Vocational Education institutions/ organizations.

In the interest of learners, NIOS has introduced On-line admission throughout the year (24 x 7) to facilitate registering themselves with it. Under this scheme learners have the options to (a) register themselves On-line directly (b) may visit their nearest AI (study centre)/Facilitation Centre and take their help for On-line registration. (c) may visit their nearby NIOS Regional Centre for on line-registration. In addition to this, the learner can submit the applications for admission in offline mode at its Regional Centre Offices.

NIOS offers 27 subjects (including 17 languages) at the secondary stage in eight mediums (Hindi, English, Urdu, Gujarati, Marathi, Telugu, Malayalam and Oriya) and in 25 subjects (including 7 languages) at the Senior Secondary stage in three mediums (Hindi, English, Urdu and Odiya). A cafeteria approach in the choice of subjects is offered. No subject is compulsory except one language. One can choose subjects according to his/her interest, need and vision of career path. Provision has also been made for the learners to opt for one vocational education subject along with academic subjects. You have the freedom to choose your subjects, pace and place of learning.

NIOS has more direct link with its learners. The study material is sent by speed post directly to each learner at the address given by them. He/she can also communicate directly with NIOS via the Learner Support Centre (LSC) for providing prompt and direct support. The study material developed by NIOS is in self learning mode. The print material coupled with face to face Personal Contact Programme (PCP) at the Study Centres and Media Support Programmes (Audio-Video cassettes, Broadcast and Telecast of programmes) empower the learners of NIOS. During the course of study in NIOS, a learner can also avail of the facility of the Tutor Marked Assignments (TMA) which helps in developing regular study habits and checking the progress of learning. In order to increase its outreach NIOS has entered into an MOU with Common Service Centre (CSC) e-governance services India Ltd. Ministry of IT, Govt. of India which will facilitate the student to enroll for NIOS Programme.

NIOS conducts two public examinations in one academic year i.e. in April-May and in October-November. There is a facility of accumulation of credits. I would specifically like to mention a significant innovation introduced by NIOS in its examination system. It is the On Demand Examination System (ODES) which gives an opportunity to the learner to appear in examination in a subject as and when he/she feels ready for it.

This Prospectus gives you details of admission, courses of study, instructional process, payment of fee, study centres, equivalence of NIOS examination and information about several other items that are relevant and useful to those who desire to enroll in NIOS courses of study. Mukta Vidya Vani

Mukta Vidya Vani is a pioneering initiative of the National Institute of Open Schooling (NIOS) for using Streaming Audio for educational purposes. This application of ICT will enhance accessibility as well as quality of programme delivery of NIOS Programmes. This is a rare accomplishment of NIOS as the first Open and Distance Learning Institute to start a two way interaction with its learners, using streaming audio and the internet.

Keeping in mind the fact that the transmission is done through the web, the NIOS website (www.nios.ac.in) has a link that will take any user to the Mukta Vidya Vani. Mukta Vidya Vani thus enables a two way communication with any audience that has access to an internet connection, from the studio at its Headquarters in NOIDA, where NIOS has set up a state-of-art studio, which will be used for this purpose as well as for recording educational audio programmes meant for NIOS learners, though others can also take advantage of this facility.

Mukta Vidya Vani is a modern interactive, participatory and cost effective programme, involving an academic perspective along with the technical responsibilities of production of audio and video programmes, which are one of the most important components of the multi channel package offered by the NIOS. These programmes will attempt to present the topic/ theme in a simple, interesting and engaging manner, so that the learners get a clear understanding and insight into the subject matter.

NIOS has launched a scheme to motivate the learners to participate in the Mukta Vidya Vani by sending their Audio CD's to the respective regional centre on various subjects such as-

1. Poetry / Shloka recitation
2. Story telling
3. Radio Drama
4. Music
5. Talks on various topic related to the NIOS curriculum including Painting, Vocational Subjects etc.
6. Quiz
7. Mathematics puzzles etc.

The selected CD can be webcast on Mukta Vidya Vani and the winner participant be rewarded suitably.

Learners may visit the NIOS website and participate in live programmes from 2pm to 5pm on all week days and from 10.30am to 12.30pm on Saturdays, Sundays and all Public Holidays. The Subject Experts in the Studio will respond to their telephonic queries during this time. A weekly schedule of the programmes for webcast is available on the NIOS website. The Studio telephone number are 0120-4626949 and Toll Free No. 1800-180-2543.

Re : National Open School-Equivalence of Senior Secondary Certificate Examination

Dear Sir.

We have noted that Govt. of India have set up the National Open School on 23 November, 1989. The 'NOS' offers courses preparing students for the Secondary and Senior Secondary School Examinations, apart from other courses. The Govt. of India, through a Resolution, vide No. F5/23/90 dated 14 September 1990, vested the National Open School with authority to examine and certify its students.

The Association of Indian Universities, at their recent meeting has granted equivalence of the courses of NOS with those of other examinations of recognized boards for purposes of admission to higher studies at Indian Universities. The matter has been brought to the notice of all Universities in the country for their appropriate action.

Kindly write to us in case of any difficulty by the students; we would approach the Universities accordingly.

Thanking you,

Yours faithfully.
